

IDF EUROPE YOUNG RESEARCHER AWARD IN DIABETES 2016

REWARDING EXCELLENCE, INNOVATION AND COMMITMENT IN DIABETES

Since 2012, The International Diabetes Federation European Region (IDF Europe) has recognised excellence, innovation and commitment in diabetes through the IDF Europe Prizes in Diabetes. To continue with this important appreciation, IDF Europe is again sending out calls for nominations for the above category.

Are you a **YOUNG OUTSTANDING RESEARCHER** dedicated to improving the lives of people with diabetes and those at risk?

IDF Europe offers you the opportunity to promote your research throughout the continent and all around the world!

Apply now to the IDF Europe Young Researcher Award!

What does the Award consist of?

- The opportunity to showcase your work to the world diabetes community through IDF Europe and IDF communication channels
- Being invited to present your work at the IDF Europe Regional Meeting (25-27 November, Lisbon, Portugal)¹ and at the World Diabetes Congress 2017 (4-8 December 2017, Abu Dhabi, UAE)²
- 5.000 EUR to be donated to the charity of your choice
- Prize Money of 2.000 EUR
- A commemorative plaque and a certificate
- The Award ceremony will take place during the IDF Europe Regional Meeting

Application Criteria

- You must be nominated by a peer and should be working in Europe
- You must be a qualified health care professional under 40 years of age
- You should be involved in innovative patient-oriented research in diabetes and/or complications of diabetes. Your work should demonstrate your commitment to diabetes research leading to improved health outcomes for people with diabetes

To Apply

- Download, fill in and send: the IDF Europe Young Researcher Award nomination form; a short essay (500 words max.) from the nominating peer; nominee's CV/resumé; and key publications to prizes@idf-europe.org by **20 September 2016**

Applicants will be notified of the decision of the Selection Committee by **30 September 2016**

IDF Europe is an inclusive and multicultural umbrella organisation of 70 national diabetes associations in 47 countries across the European region, representing people living with diabetes and healthcare professionals. Through our activities we aim to influence policy, increase public awareness and encourage health improvement, as well as promote the exchange of best practice and high-quality information about diabetes throughout the European region.

¹ Travel and accommodation will be covered by IDF Europe

² IDF Europe will contribute towards travel, accommodation and registration expenses
